

Tooth Mousse™ / Plus

Your first choice for extra protection and maintaining optimum oral health for all patients.

Proven protection against:*

- White spot lesions
- Dental caries
- Hypersensitivity
- Dry mouth
- Erosion
- Post-whitening sensitivity

GC Tooth Mousse is a great tasting water-based crème that contains Recaldent® (CPP-ACP), casein phosphopeptide amorphous calcium phosphate, a milk-derived protein that provides high concentration bio-available calcium and phosphate.

GC Tooth Mousse Plus has the added benefit of 900 ppm fluoride, recommended for patients 6 years and over wanting extra protection from acidic elements and additional fluoride exposure.
