3M Health Care is now Solventum

On 1st April 2024, 3M Health Care became Solventum, an independent healthcare company dedicated to finding breakthrough solutions to your toughest challenges.

Solventum originates from two words: “solving” and “momentum”. “Solving” captures the company’s dedication to finding breakthrough solutions. “Momentum” symbolises swifter, nimbler innovation.

Beautiful, healthy smiles: That’s our focus as we partner with oral care providers to improve patient outcomes and transform practices. Our experts in dentistry and orthodontics understand the unique challenges of your business and share your deep passion for oral health.

Promotional offers are available for purchase only from Solventum authorised distributors:

Promotion Terms & Conditions:

To claim your bonus goods, please send your distributor invoice dated between July 1st 2024 to September 30th 2024 to: SolventumDentalPromo@greeneagle.com.au

3M Health Care is now Solventum. Purchases of product outlined in the Solventum Dental Solutions National Promotion Offers (July to September 2024), do not qualify for any other product or promotional offers not specified in these offers. Please nominate which bonus you are claiming. You may be contacted by Solventum to discuss your promotional claim. Bonus must be to equal or lesser value than the product purchased. The required purchase quantities must be reflected on one invoice with no double dipping. Invoice must show all stock has been supplied, no backorders. If products purchased qualify for more than one offer, all stock for all offers must be supplied. All claims must be received by close of business on Thursday 31st October 2024. Claims received after this date will not be honoured. Please allow 6 weeks for delivery. Entry is open to all Australian practices. Promotional offers are only available for purchase from authorised Solventum Dental Solutions Distributors. Please contact authorised distributors for pricing. Corporate Accounts may be excluded from receiving bonus goods.
