Enamelast™

Enamelast™ fluoride varnish is a flavored, xylitol-sweetened, 5% sodium fluoride in a resin carrier. Enamelast fluoride varnish's superior retention promotes enhanced and sustained fluoride release.

25% OFF ON ALL PACKS

Halo™ Sectional Matrix

The Halo sectional matrix system is a high-quality, long-lasting matrix system that will help you create beautiful, anatomically contoured composite restorations in less time.

20% OFF ON ALL REFILL PACKS
